

# Sample CRS Individual Self-Certification

**Purpose:** This sample Common Reporting Standard self-certification records the customer's declared tax residency information for onboarding and ongoing due diligence. The financial institution should retain this form with the customer file and request an updated self-certification if the customer's circumstances change.

## 1. Account Holder Identification

|                             |                                                |
|-----------------------------|------------------------------------------------|
| Full Legal Name             | Arun Mehta                                     |
| Date of Birth               | 12 August 1978                                 |
| Current Residential Address | 21 Ocean Drive, Sentosa Cove, Singapore 098374 |
| Mailing Address             | Same as residential address                    |

## 2. Country or Jurisdiction of Tax Residence

| Country / Jurisdiction | TIN or Functional Equivalent | If No TIN, Reason | Explanation  |
|------------------------|------------------------------|-------------------|--------------|
| Singapore              | S1234567A                    | N/A               | TIN provided |

## 3. CRS Declaration and Certification

- I certify that I am the individual account holder named in this self-certification.
- I declare that the country or jurisdiction of tax residence and TIN information provided above is true, complete, and accurate.
- I understand that this information may be reported to the relevant tax authority and exchanged with tax authorities in other jurisdictions where required under applicable CRS rules.
- I agree to notify the financial institution within 30 days if there is any change in circumstances that affects my tax residency status or makes the information in this self-certification incorrect or incomplete.
- I agree to provide an updated self-certification and supporting information when requested.

## 4. Signature

| Customer Certification                                                                   | For Bank Use Only                                                                             |
